

## Lley Model Aero Club

### We invite you to join us at our 2018 Bring & Fly

on Fri.28th.Sat.29th.Sun.30th.Sept.

at Penrhos Airfield and local Slopes.

Unfortunately we are having to increase the entry fee this year, due to losses in previous years and charges being applied by the CAA.

The new fee will be £10 for the 3 days or £4 for single days. Each entrant will receive 5 Raffle tickets as a little bonus. We have managed to keep fees down for a long time so we hope you understand our decision.

This year is the 100<sup>th</sup> Anniversary of the end of WW1. We will be giving an award for the “best scale WW1 model”. Also, at the power field, we have trophies for:- “best scale Warbird”, “Best Scale other”, and “most entertaining”. Trophies for the slopes will be “Best scale” and “Most entertaining” and, of course the Toilet Trophy for “best crash” can be won by power or sloper.

We are only inviting the public for the Saturday and the Sunday. The club would appreciate it if power flyers would put on a “bit of a show” on these day with display flying and interesting models. Other features like Combat and the Hilly B swarm are always good to watch.

Camping is available at Pen y Berth Caravan Park. (A few hundred yards from the field). The site manager assures me that there is plenty of space available, with hook-ups, at reasonable rates. The facilities there are good too. To book contact: The Site Manager on 01758 612581.

The Caravan Park Café and Bar was very popular last year and we have notified the proprietors who will be pleased to see you again. There will be an informal get-together there on Saturday night.

To assist the landowners, we are limiting numbers at the slopes, on a first come first served basis, we don't anticipate a problem but, just in case. The slope of the day will be announced at the club caravan.

The event is being held under the guidance of the BMFA SAFETY CODE FOR MODEL FLYING DISPLAYS . **Pilots at the flying field holding an “A” certificate may fly solo at the discretion of the Flightline Director. Unqualified Pilots may fly if accompanied by a Qualified Pilot, at the discretion of the Flightline Director. Evidence of insurance required. Evidence of permit to fly model over 20kg. required.**

**GOOD FOOD ALL DAY, RAFFLE, TOILETS, FREE ENTRY FOR SPECTATORS.**

Registration will take place every day from approx 9:00am.

Looking forward to seeing you at the field.

Austin Massey – LleyMAC Chairman Phone: 01758 721704. Mob: 07791 052617.
